Dear Friend,

As you are aware, we will be celebrating the Platinum Jubilee year of table tennis in India during the Senior National Table Tennis Championships at Patna between January 7 and 12, 2014.

In other words, we want to, in a humble way, say how the sport has evolved over a period of 75 years—reaching several milestones. The past 75 years have seen how our players, despite having to face various problems, have come up and made a mark for themselves at international level.

There are several such paddlers the country has produced and we can be proud of the fact that they have taken India to a new height through their dedication, perseverance and hard work. It is only befitting that we honour the lot of these species which are rare in a country which is obsessed with cricket.

In this endeavour we seek your cooperation and help make the Platinum Jubilee function a grand success and memorable with your august presence during the nationals on January 11 and 12. On the occasion, we will also be honouring the Arjuna Awardees, National Champions (Men and Women), past presidents/secretaries of the TTFI, technical officials, coaches and a few others who have given their sweat and blood to table tennis.

Whatever we, in the table tennis fraternity, have achieved is all due to people like you. You have, from time to time, kept the Indian tricolor flying high with your dedication towards the sport and, in quite a number of cases, also have gone on to win laurels for the state and the nation together.

Hence, we will feel elated and blessed if you can make it to the Patna function where you can be our honourable guest. You can arrive at Patna on January 11 morning and leave on January 13. We would like you to please confirm your travel arrangements so that we can arrange to pick you up from railway station/airport and also make your stay comfortable at Patna.

Eagerly looking forward to meeting you,

With regards

(D.R. Choudhary)
