Dear Mr. Choudhary / Dear Colleagues in TTF of India,

Once more congratulation for the excellent organization and warm hospitality in Hyderabad. As you can see from the comments of different National Associations, all delegations were satisfied with the conditions and all of us in ITTF highly appreciated your dedication and determination to make the event memorable.

I know from Raul that all of you worked very hard to make your dream come true and I know from you that Raul helped you a lot to reach the same goal. Many thanks also to the TTA of Andhra Pradesh to be such a good local host in Hyderabad.

I am very glad personally that the 10th edition in history of the World Junior TT Championships was hosted successful by the association which originally proposed the idea of establishing world title event for the junior category.

Wishing Happy New Year and a well-deserved rest after the big challenge and hard work.

Regards
